

Name: _____

Date: _____

Brief Constructed Response

Directions: Answer the following question in BCR format. Remember to include two specific details from the text to support your response.

Based on your reading, how does environment affect a group's culture?

Answer: _____

Detail/Support 1: _____

Detail/Support 2: _____

Brainstorming Box: (Vocabulary I might use in my response.)

Environment - places with different types of natural surroundings, including land, water, air, plants and animals (examples: desert, grassland, etc.).

Culture - everything (tools, crafts, language, beliefs, etc.) that makes up a group's way of life.

Date	Title	Demonstrates knowledge of concepts/research	Interprets maps, globes & charts	Contributes to activities/discussions	Completes projects/assignments	Effort
